

Waste Segregation

for a cleaner Bangalore

Kitchen Waste

Vegetable/Fruit waste Food waste, Tea leaves,
Coffee powder, Leaves/Flowers, Pencil shavings,
Match Sticks, Shredded Newspaper

Collect kitchen waste (wet waste) in a bin lined with newspaper.

DO NOT USE PLASTIC BAGS

Dispose daily into common bin in your community for Kitchen waste

Recyclables

Collect all recyclables (dry waste) in a reusable bag

Dispose weekly (on specified day) into bin for Recyclables. (details below)

Contact your nearest Dry Waste Collection Center and arrange weekly pick-up of recyclables.

Call BBMP Control Room (080-2266-0000) for details

Plastic

Plastic bags, Plastic packaging
Broken toys, Plastic utensils
Plastic bottles, Bubble wrap
Take-away containers*, Food packets*
Pickle packs*, Milk Sachets**

* Food packets, pickle packs and take-away food containers have to be thoroughly rinsed and dried before disposal

* Food covers that are too oily should be discarded with debris waste

** Milk sachets can be rinsed/dried and bundled and disposed monthly

Paper

Tickets, Bills & statements*,
Envelopes & Covers, Notices,
Pamphlets, Paper wrappers
Printouts, Paper plates

Papers that are oily and soiled
tissue papers should be discarded
with debris waste

* Tear any confidential papers such as bank statements/notices before disposal.

Newspapers can be collected on a monthly basis and donated to NGOs who make bags for sanitary waste.
